Dabur Unveils New Premium Natural Baby Care Brand
Kolkata, May 6th, 2015

India's leading natural health care company Dabur India Ltd today announced its foray into the premium baby care market with the launch of Dabur Baby, a new brand which will have a range of baby care products prepared using natural oils, essential for safe and tender care of the youngest member of the family. The first product to be launched under the Dabur Baby umbrella brand is the...
